Printed by The Muncy Luminary

To the Senior Class of '31

whose influence and co-operation have contributed to the worth and reputation of Hughesville High, we dedicate this issue of "The Monarch," with deep regret at their departure, but with the best wishes for their success.

Class Officers

President . . . . . Chris Little

Secretary-Treas. . Rosaline McConnell

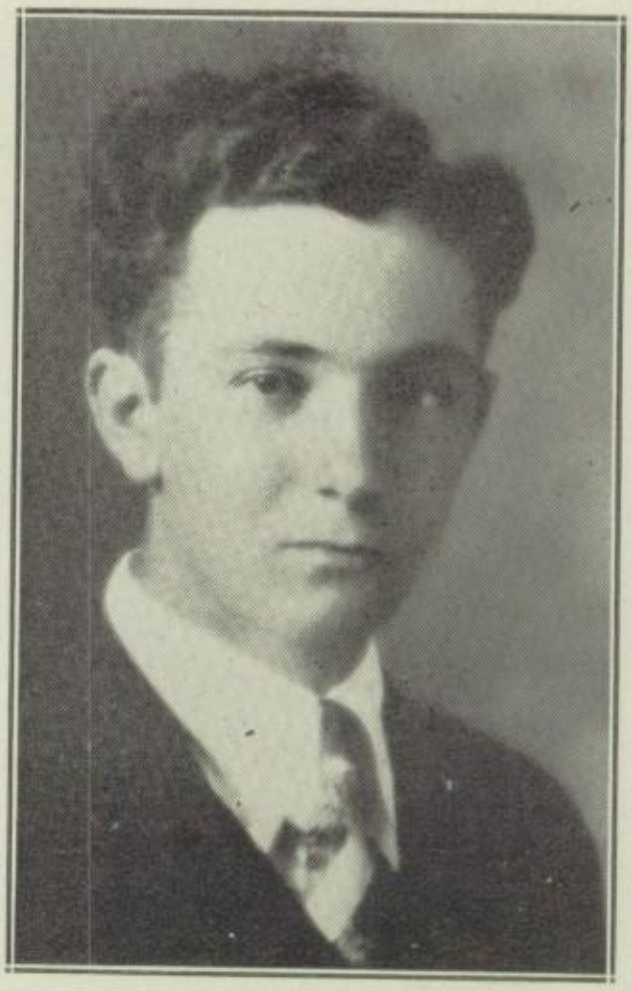
Motto: Strive for Character and Not for Fame.

Colors: Black and White
Flower: White Rose

ROBERT SEBASTIAN ALBERTSON - - "Bob"

Glee Club (3, 4); Baseball (4); Senior Artist; Soloist, Class Plays; Hearts and Blossoms (2).

This exhibit is no other than that of Robert Sebastian Albertson, better known as "Bob," a member of the Eagles Mere Crowd. His greatest and most outstanding achievement is drawing, and it was through his efforts that we have a standard seal which was a complete reproduction of the moose head. He is also greatly interested in the field of minerology. We hope that his minerologist's interest, as well as his artistic ability, will aid him in making an economic success out of life. During his high school career he also was a general handy man, for it was Bob who printed the ads, the banner for the Senior play, who sang between acts and contributed his share to every program we had.



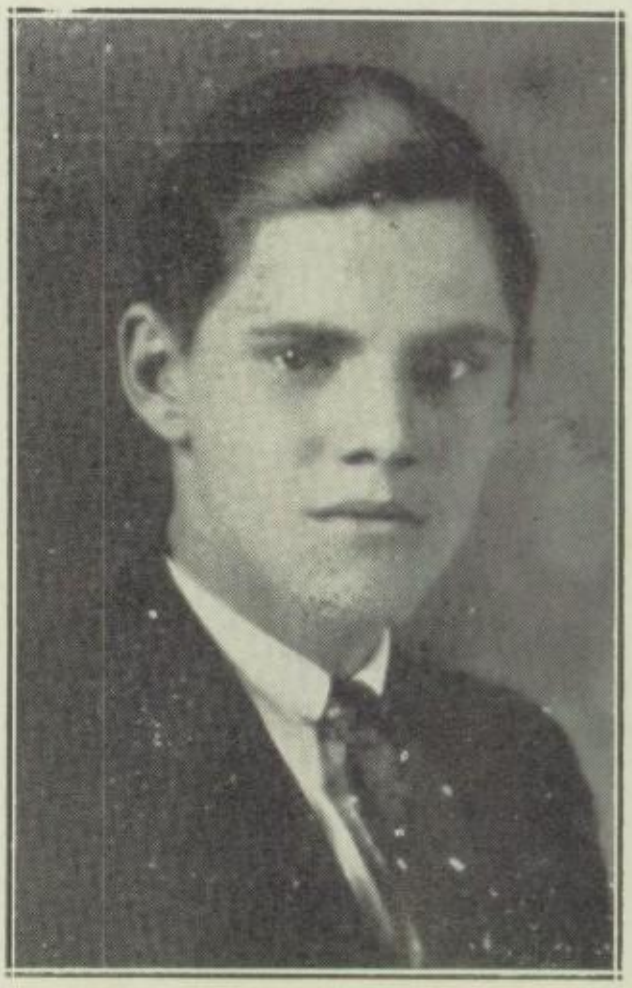
NELLIE BIGGAR - - - - - - - - "Nell"

Glee Club (1, 2, 3, 4); Vice-President (2); Secretary, (3); "Prexy's Proxy" (3); Senior Class Play (4); May Queen (4).

Nell has played an important part in dramatics during her four years in school, and she has fittingly closed her career as May Queen for 1931.

A type of student we love to find
With the very brightest, keenest, mind.

In all activities Nell has been willing to co-operate She has offered many valuable suggestions, which she has always been willing to help put into practice. Her personal charm is one of her outstanding characteristics, and we foresee success for her in all future activities.



FREDERIC W. BINDER - - - - - "Freddy"

Orchestra (1, 2, 3, 4); Football (3, 4); Basketball (2,3,4)

When "Freddy" entered as a freshman, he was perhaps the most bashful boy in the class, but not for long. He soon became interested in the school activities, and took an active part in them. He was a member of the orchestra for four years, a member of the football squad his junior and senior years, a member of the basketball squad for three consecutive years playing on the varsity his senior year. It was "Freddy" who came through with the "peep shot" in many a close game, that helped us to win the championship. He has a high social standing, is well liked by all his classmates, and as the saying goes "He will make his mark in the world."

GEORGE EDGAR BOOTH - - - - - "Boots"

Football (4)

From a very remote section of Sullivan County, comes George Edgar Booth, another of the Eagles Mere boys. At the beginning of the year we hardly knew he was in school, so quiet and unassuming was he, but on his first appearance in the football game with the South Side, he made a name for himself. Abbie is one fellow that can call everyone in school his friend, due to his modesty and fine personality. We know that he will be successful in any field he may enter. The best wish we could make for him is that he will be as well liked by his new associates as he was in H. H. S.

ELWOOD BRYAN - - - - - - - - "Elly"

Football (3, 4); Basketball (1, 2, 3, 4); Baseball (2, 3, 4); Track (4).

When the Senior class of 1931 entered high school, a little boy about so big entered with us. His name was Elwood Bryan. From the start Elly was one of the quietest boys in the class, but as the days went by, he became better acquainted with his classmates and took an interest in most of the school activities. He acted as trainer for the football squad his first two years, but at the beginning of the third he went out for the team and became a "line crasher." In baseball Elly became our star pitcher, and won several games for us with his skill. He also took part in basketball and track. In his school work he has a fairly high standing and can tell you most anything you want to know about Chemistry. It is said sometime in the future he may take Mr. Smith's position as the teacher.

Good Luck, Elly

ANNA COVERT - - - - - - - - "Anne"

Tri-Hi (4)

Anne is the only blonde in the class. She is rather quiet during school hours, but she has always been willing to help the class in anything that it may attempt to do. Although she was rather unassuming when she first entered high school, after we became better acquainted with her, we found how helpful she could be.

CLAUDIA MERLIN CROSSLEY - - - "Claude"

Basketball (1, 2, 3, 4); Glee Club (1, 2, 3); Track (1, 2, 3, 4); "Smilin' Thru" (4); Class Prophecy (3); Salutatorian; News Editor, "Monarch" (4).

One of the popular girls of the class, "Claude" early demonstrated her ability as a student. Her attractive personality, together with her intellectual powers made her a valuable addition to the class of '31, and we prophesy for her a most successful future.

ROBERT ALVICE DUNHAM - - - - "Bob"

Orchestra (3, 4); Football (3, 4); Smilin' Thru (4).

Bob was one of the Eagles Mere boys who came to us in '29. His standards and his scholarship were high, and like the others of his crowd, he had a school spirit that was "real." Bob was especially talented in music and he often led the orchestra. However, if he had a large audience, his bow would not behave. But Bob has the sterling qualities that mean real worth, and we prophesy the best for him.

IRENE MABLE FORRESTER - - - - "Rene"

Secretary (2); Volley Ball (1, 2, 3); "Strong Medicine" (3); "Smilin' Thru" (4); Sewing Club (2).

Irene's appearance is not deceiving. Her sparkling eyes and contagious smile are the outcome of her good natured disposition and keen sense of humor. She possesses enough foresight and will power to be successful in whatever she may undertake. Irene is of such a nature that there is no doubt as to her ability to accomplish her aims. We wish her all possible success in her life's work, nor do we feel that we are wishing in vain.

HELEN FOX - - - - - - - - - "Foxie"

Track (1, 2); Volley Ball Captain (4); Pianist (1, 2, 3); Class Play (3); Winner Townsend Oratorical Prize (4); Business Manager "The Monarch" (4); Glee Club (1, 2, 4); Valedictorian.

Helen has always been an active member of our class. During her first two years in high school she took part in the track meet at Montgomery, and played the piano for chapel and operettas. She was also selected as a member of the volley ball team for this season. She took part in "Prexy's Proxy" given by our class when we were Juniors, and wrote the song used in our farewell program for the class of '30. She won the Senior Oratorical contest, and led the class in all scholastic achievements. She was a member of the staff for the school paper and wrote the class poem. She has also been a member of the Glee Club the entire four years. Helen was one of the most dependable members of the class. She was a friend to everyone, and our very best wishes go with her.

DOROTHY GAUTSCH - - - - - - - "Dot"

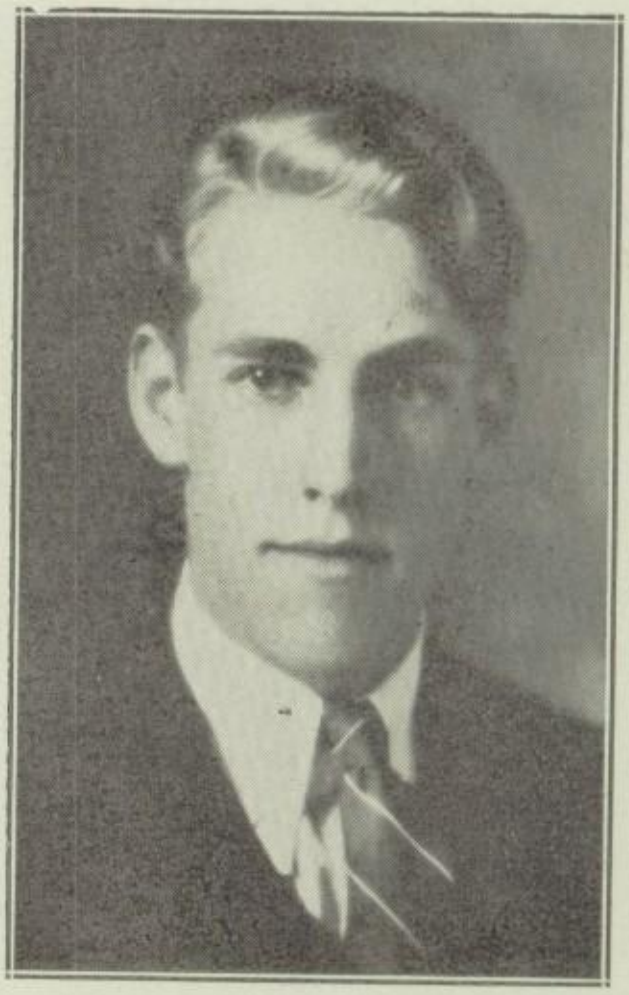
Glee Club (1, 2, 3); "Smilin' Thru" (4); Junior Reception Play (3).

What would we have done without Dorothy on the gloomy rainy days, when the school day seemed to drag for her laughter was generally infectious. Dot never took an active part in school athletics, nor in extra-curricular activities, but her generally sunny disposition made up for that. Her bad habit was "hooking school," but she usually managed to get by after one of her escapades and now, since she is graduating, will probably continue to be the "life of the party" wherever she may be.

JOHN MAXWELL GRITTNER - - - - "Max"

Varsity Football (1, 2, 3, 4); Varsity Basketball (1, 2, 3, 4); Varsity Baseball (1, 2, 3, 4); Dramatics—Thanksgiving Pageant (1); Historical Pageant (1); Junior Class Play (3); Senior Class play (4); Debating team (3); Glee Club (2, 3, 4); Orchestra (1) Advertising Manager of school paper (4).

Here he is! The loyal student of the hour, with a spirit worthy of his Alma Mater. First in athletic and scholastic circles—always a true, clean fighter that marks a worthy past and a golden future. We hate to lose you, "Max," but we know you must be on your way to the goal that awaits you at the end of your career. We all wish you success.



PHILIP HOUSEKNECHT - - - - - - "Pete"

Football (3, 4); Baseball (3, 4); Basketball (3, 4); Glee Club (3, 4); Class Reporter, "Monarch" (4); Strong Medicine (3); "Smilin' Thru" (4); Finals—Oratorical Contest (4).

Athough "Pete" did not enter Hughesville High School until his Junior year, he is now one of the best liked boys in high school. "Pete" was very active in sports, being one of the best football players Hughesville has ever had. "Pete" has a way with women, that has made him quite popular with the fair sex. Here's wishing "Pete" the same good luck and success in the future that he has always had.

CHRISTOPHER THOMAS LITTLE, JR. - "Chris"

Football (3, 4); Junior Class Play; "Smilin' Thru" (4); Class Treasurer (3); Glee Club (3); Baseball (4); Senior Class President.

Chris is a boy who should not be judged by his name, as he is nearly six feet tall. Rather easy going, he is liked by everybody. After completing two years in high school at Eagles Mere, he entered at Hughesville. He was a member of the football team in '29 and '30, and took prominent parts in the Junior and Senior class plays. Chris was the fifth of the Eagles Mere boys, who made such a valuable addition to the class. His school spirit was evident in every field; and he was keenly interested in every activ'ty the school sponsored. As senior class president, he made the office a real position of ability and trust.

WALTER J. McBRIDE - - - - - - - "Micky"

Orchestra (1, 2, 3, 4); Secretary of Hi-Y (1, 2, 3, 4); Glee Club (2, 3, 4); Baseball (3, 4); Basket Ball (4).

Lad'es and Gentlemen, gaze upon the countenance of Walter J. McBride, alias "Micky" among the fair sex.

Look him over. He looks quiet, but you'd be surprised. In history—what he can't tell you isn't worth knowing. He is fairly well up in all his studies, and can argue on almost any question. Wherever are heard the noises of argument, there is heard above all others—Walter's voice. He is always ready to do his part in all school activities.

Music holds a great attraction for him; in the orchestra he plays a cornet, and seldom makes a mistake. Here's wishing you all success in whatever field you enter.

RUTH OPP McCLAIN - - - - - - - "Tootie"

Volley Ball (3, 4); Glee Club (1, 2, 3); Sewing Club (2); "Smilin' Thru" (4).

Lend us your attention for just a minute. Take the biggest heart you can conceive, add a keen sense of duty, insert a good-sized dash of wit and pleasing disposition, and you have the pleasing personality of Ruth. Her charm is natural and will carry her through life to a great store of happiness. We know she will meet with success, and we shall have reason to feel proud of her as a member of our class of 1931.

EDWARD McCONNELL - - - - - - - "Ed"

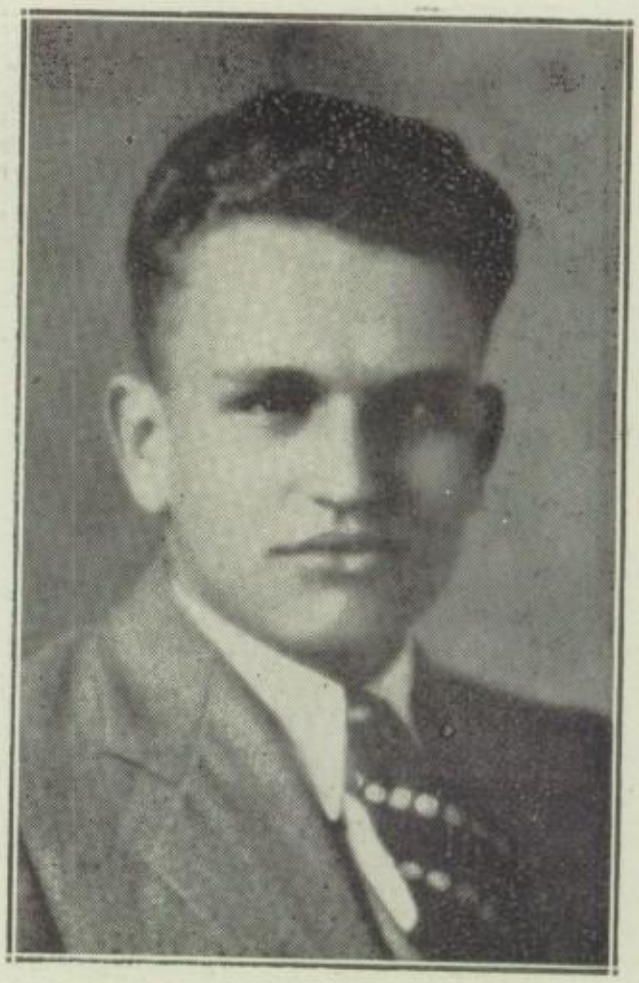
Class President (2); Football and Basketball Squad (1); Varsity football and basketball (2. 3, 4); Captain of Football Team (2); Captain of Basketball Team (4); Varsity Baseball (2, 3, 4); Glee Club; Alumni Editor of school paper.

Friends, Romans and fellow students let your optics rest upon the most popular and best liked young man of the Hughesville High School, not to mention the fact that he is among the best if not the best, athlete that ever fought for the "orange and blue;" so it is with pleasure we introduce Edward McConnell, alias "Ed." "Ed," due to his gentlemanly manner, good humor and splendid personality has made a place deep in the hearts of all who know him, and it is our best wish that he always be a leader in the life of fame and fortune which will undoubtedly be his.

ALICE ROSALINE McCONNELL - - - "Rosy"

Class Secretary (4); Literary Society Secretary (2); "Strong Medicine" (3); "Smilin' Thru" (4); Townsend Oratorical Contest—Honorable Mention (4).

One of the prominent members of the class of '31 is Rosaline, a friend to everyone, and a person who can be depended upon. Because of her secretarial ability she was selected to act as secretary of our class this year and also of our Literary Society during the Sophomore year. She has taken part in all Glee Club work and plays which we gave in our Junior and Senior years. She was interested in the Tri-Hi-Y Society and although she never took part in athletic events, she has always had the right school spirit, and supported the teams whenever possible. Among the activities she participated in during the Senior year was the oratorical contest, in which she received honorable mention. After graduating from school, Rosaline expects to take a course in elementary teaching.



FORD WILSON MICHAEL - - - - - "Mike"

Varsity football (2, 3, 4); Captain 1930 football team; member of basketball squad of '30; Varsity baseball 1930; Track squad (2, 3, 4); President of Junior and Senior Literary Club (3, 4); Dramatics; Thanksgiving Pageant, 1927; Historical play '28; Junior class play (3); Senior Class Play (4); Captain Debating Team of 1930. Editor of H. H. S. Monarch '31.

The above list of activities speaks louder for Michael than any paragraph we can add. Still, it wasn't all work and no play, as several exciting experiences will testify. He demonstrated his ability for leadership in every field. Reliable, popular Mike has contributed much to the H. H. S. in his four years as a student, and the best of wishes of all his associates go with him for success in whatever course he follows.

HELEN MARIE MINIER - - - - - "Corky"

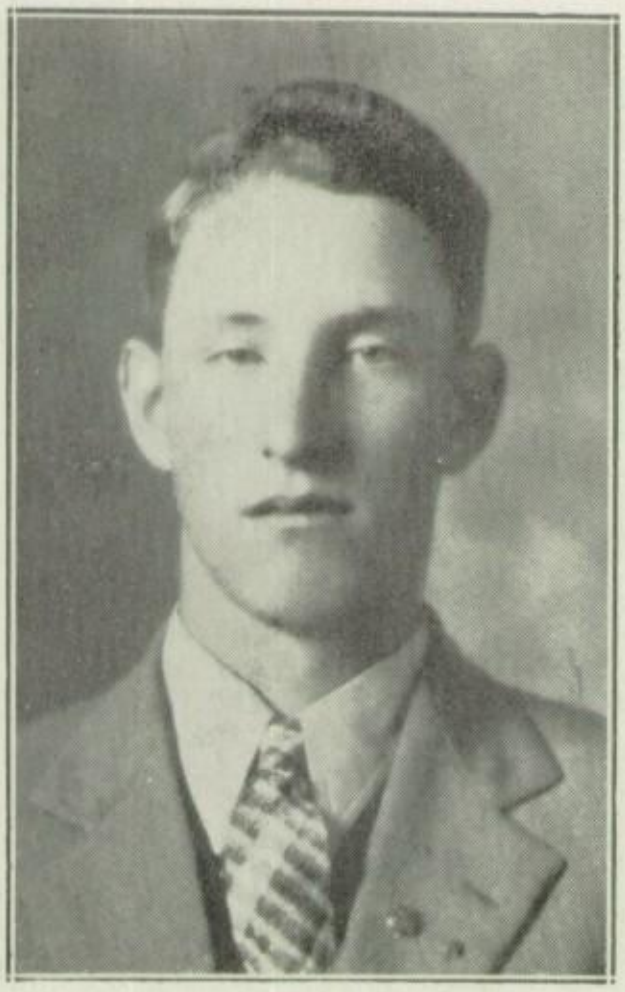
Sewing Club (2); Glee Club (3); "Smilin' Thru" (4).

The spirit of mischief seems to be enmeshed in her black hair, and to shine from her sparkling eyes. Without her infectious laugh, certain gatherings would scarcely be complete. In all, she is one of the dearest and most lovable of pals. The Class of '31 wishes her happiness in securing her goal.

STEVE M. ODELL - - - - - - - - "Steve"

Football (1, 2, 3, 4); "Smilin' Thru" (4); Reception Play (3); Track (1, 2).

Steve's ability as a tackle in the '28 varsity eleven will be remembered by his teammates, and in fact by the entire school. His capacity for sleep is enormous, but when awake he is never still. Hard working, conscientious, and persevering, he has in him the unmistakable signs of "Success." He is well liked by all his fellows. You hardly need our wishes for Success, Steve, for your future is assured.



ROBERT T. ROBB - - - - - - - - "Robb"

Orchestra (3, 4); Glee Club (2, 3); Basketball (4).

Robb is quiet and industrious in school. In basket ball he is a wizard at the pivot position. He also plays a violin in the high school orchestra. Robb is a friend to all; always ready to lend a helping hand. His good humor and disposition have been the secret of his popularity. It is our sincere wish that the future may hold boundless good fortune for him.

ELWOOD C. STACKHOUSE - - - - - - "Elly"

Class Treasurer (1, 3); Vice President, Class (2); Football Squad (2, 3, 4); Baseball Squad (2, 3, 4.)

Elly is a quiet little farmer boy who is in the class of '31. He is one of the studious boys of the class, with great interest and ability in mathematics. He sits many hours at a time pondering over a problem. Aside from his interests in school he has a certain interest in a near-by town. Elly has nice curly hair and all the girls envy him. His ability, good sportsmanship, his kind and generous nature have made Elly very popular with his class. We predict for him success in whatever he may undertake. He will no doubt be a successful farmer and reside on a farm near town. Here's hoping he is a success in whatever he undertakes.

GRACE E. SONES - - - - - - - "Gracie"

Basketball (1, 2, 3, 4); Captain (3, 4); Glee Club (2, 3); Sewing Club (2); Volley ball (1, 2, 3, 4); Vice President of Tri-Hi-Y (4); Library council (4); "Strong Medicine" (3); "Smilin' Thru" (4).

"When Irish eyes are smiling"—This doesn't half express it. Her's are brown, snappy ones which leave an impress of a happy-go-lucky and care-free type. Flash, dash, and pep, that's Grace. Vivid, dashing, sparkling—always laughing—always gay.

"She's quiet to those who don't know her well,
But, Oh, her friends, what they could tell."

What more could be said of anyone?

Senior Review

The senior year was one of the most active of the school years.

Shortly after the beginning of the new term, Coach Smith called football practice. The seniors were well represented in this sport, for of the eleven men who reported for practice, seven landed varsity berths, and helped in a large measure to maintain a championship eleven.

After the Thanksgiving vacation Coach Smith called basketball practice. Six seniors reported, and out of the six three received varsity positions. The other three made the Junior Varsity. Captain McConnell's great defensive playing, Binder's numerous "peep" shots and Grittner's scoring ability in the pinches helped H. H. S. to win the "West Branch Championship" for the second consecutive year.

Along with the boys' team Coach Smith handled the girls' team. Only two seniors reported for practice and one made the grade to win a varsity position. They also had a good record, losing only two games out of the eighteen played.

On December 12 and 13 the Senior Class presented the annual class play, "Smilin' Thru." The play was one of the most picturesque that was ever presented in the Hughesville school. It proved to be a big success, and the class scored a triumph in acting such difficult parts.

The seniors were represented in the orchestra by Binder, McBride, Robb and Dunham. Quite often Mr. Gowers selected Bob Dunham to lead the orchestra, a position which he filled efficiently.

During the school year two parties were given, the first a surprise party for Ruth McClain. During the winter a toboggan party was given, with the Eagles Mere boys as hosts. Both parties were so enjoyable that they will long be remembered.

In the middle of April Mr. Kelsey held the first spring baseball practice. Seven seniors reported, all seven landed varsity berths.

The senior class was well represented in captains. Captain Ford Michael of the football team, by his ability as a leader, gave H. H. S. its first championship team in football. Captain "Ed" McConnell of the basketball team always gave the team and the school the best he had. As captain of the debating team in '30, Ford Michael made a creditable showing for the school and won a place in the County finals. The senior class also supplied the first editor for the revised school paper. "The Monarch," Editor Michael. The seniors helped in a large way to put H. H. S. in the "Winning Columns." It now is up to the coming classes to keep the stone rolling. The seniors wish them the very best of luck.

—Pete Houseknecht '31

Classmates

The senior year has passed so quickly, that it is hard to realize that the goal of our high school course—graduation—is but a few days distant. Our class has worked so well together that it does not seem possible the school term could be at an end. We enjoyed many activities this year—our Senior Class play, Oratorical contest, senior issue of the Monarch, and now the Commencement program.

On all occasions there has been fine cooperation and it would be a pity if our class would break up at graduation. But there is one way to prevent that, and that is for the class of '31 to sponsor an Alumni Association. Classmates, let us seriously consider this organization, for all alumni of the school agree that it is just what we need. It is the one organization which will preserve the spirit and association which can still bind us to the H. H. S.

Chris Little, Senior President

History of the Senior Class

On September 5th, 1927, thirty-six boys and girls enrolled in the Freshman Class of the Hughesville High School. Our studies were different from those in the eighth grade; everything seemed strange to us; and we were looked down upon by the upper classmen.

The football team had a fair season that year. Three freshman boys played on the basketball and football squads. In December, we packed up our books, loosened our desks

and carried them over to the new building, the first freshman class in the new school building.

In January, Mr. Harry Kaseman, of Williamsport, organized a high school orchestra. There were thirty members in the orchestra, four from the Freshman class. We were glad to complete our first year in high school with prospects of becoming Sophomores.

On September 6th, 1928, we proudly enrolled as Sophomores in high with nineteen students in the class. That year a Commercial Course was offered in the high school. This course was opened to all who wanted to take it, the teacher, Miss Mamie Rosenfield of Muncy.

We had a good season in football, winning four games and losing four. Ed McConnell, a Sophomore was elected captain for the 1929 season. In basket ball we came out tie with Picture Rocks for second place in the West Branch League. In the play-off games Picture Rocks captured second place and we were forced to take third. Mr. C. H. Gowers, of Muncy, was chosen as orchestra director in the place of Mr. Kaseman, of Williamsport.

On September 9, 1929, we enrolled as Juniors—upper classmen at last. Mr. John E. Kelsey was the only new member of the faculty, taking the place of Mr. Harry R. Bivens, our history teacher.

The football team had a fair season this year, and Ford Michael, of our class, was elected captain for the 1930 season. We also had a good season in basket ball. Coach "Bob" Smith and his boys won the first West Branch League Championship for our high school. We played twenty-two games and won all but one. We won from Lewisburg in the play-off game at Williamsport, the score being 27-23, and thus became champions of two leagues. The Junior Class was well represented in athletics, with six Juniors on the football teams, two on the basket ball team and six on the baseball team.

In November we ordered our class rings. After looking over several samples we decided to get a ring with raised letters. The Juniors were glad to welcome into their class that year, Chris Little, Jr., Robert Dunham, Philip Houseknecht, of Eagles Mere. In April the high school selected a standard ring, the seal bearing the moose head. On April 30, we entertained the Seniors at the annual Junior-Senior reception.

This year we had our first debating team, Ford Michael and Max Grittner representing the Junior Class. We defeated Muncy, but met defeat at the hands of Montgomery. We closed the year looking forward to becoming Seniors.

The school bell called us back from our vacation last September, and we enrolled as Seniors, having reached the goal for which we had striven since we were Freshmen. The Seniors were glad to welcome into their class George Booth, of Eagles Mere. Miss Florence Holcomb was the only new member on the faculty.

The football team had the best season, since the beginning of the sport in the high school. We played eight games; won six tied one, and lost one. We claimed the "Class B" Championship of Lycoming County, and since nobody challenged us to play, we therefore had a right to the title. Ford Michael, one of our class, was captain of this team.

We had a good season in basketball, winning our second West Branch League Championship. We played twelve games and lost none. Then, Danville, winner of the Susquehanna League, challenged us to a game for the Championship of the West Branch and Susquehanna League. We accepted the challenge and defeated them, winning another cup and laying claim to the Championship of both leagues.

On December 12 and 13, we gave the Senior Class play, "Smilin' Thru." The leading parts were played by Nellie Biggar and Chris Little, Jr.

On May 1, we held the annual May Day Exercises, when Nellie Biggar, a senior was elected May Queen, and Chris Little, Senior president, was Master of Ceremonies.

On May 15 we were entertained at the annual Junior-Senior reception. Everyone enjoyed the delightful evening and appreciated the courtesy of the juniors.

Following the reception, commencement activities followed rapidly; Class Day Exercises, Friday, May 29; Baccalaureate Sermon May 31; delivered by Rev. Herman G. Steumphle in the Methodist Church; Commencement, June 5, speaker, Dr. McNair, Mansfield State Teachers' College. Four years have been brought to a close, the seniors have completed their class history.

Commencement Time

A dark cloud has fallen o'er our class
As commencement time draws nigh.
Our happy school-days all have passed.
To our classmates we say good-bye.

The time has come for each of us
To choose the path we wish to tread.
Those who have spent four years with us
Will always remember the life we led.

In sorrow, gladness, work, or play
Each one has shared his part,
And at this commencement time
A sadness hovers o'er our hearts.

But here's to the dear old H. H. S.
Which holds our secrets true
We'll ne'er forget the school we loved
Our thoughts are with you—"Orange and Blue"

—Helen Fox, '31

Senior Class Song

Tune: When Your Hair Has Turned to Silver
Here is our heart with all our love,
They both belong to you;
Year after year, we'll love you, dear,
No matter what we go through.

Chorus

When we leave the dear old high school
Each to find his way alone,
We shall all remember Hughesville
As our happy high school home.
For 'twas here we worked together
We shall ne'er forget Hughesville,
The high school that is best.

2nd Verse.
Always it seems we've built our dreams
All bound around you, dear.
We will confess our happiness
Clouds when our last year is here.
2nd Chorus.
When we're gone, we'll not forget you
As the high school that we loved,
You will always be a memory
That shall rank far up above.
And to those who in our footsteps
Follow there until the end.
You will find that upon leaving
High school days were your best friends.

—Bob Albertson, '31.

Class Will of 1931

We, the Seniors, Class of 1931, of Hughesville High School, being of sound mind, do declare this to be our last will and testament, in the manner following:

First: We bequeath the admiration the faculty holds for us, to all future classes that shall be in need.

Second: We bequeath our beloved teachers, studies, and books to the Junior Class so that they may climb the ladder of success not in vain. To the aforesaid, we leave, in addition, all senior privileges such as: whispering, getting extra pads and pencils illegal excuses for playing hooky, writing assignments in books, and our influence with the faculty.

Third: We bequeath:

(a) Ed McConnell's athletic ability to Kenneth Confer, hoping he may roll up the scores for Hughesville.

(b) Helen Fox's vocabulary of unusual and lengthy words to Joseph McCabe.

(c) Rosaline McConnell's demureness and quietness to Reta Travelet.

(d) Claudia Crossley's admiration for Jim Nuss to Arlena Starr.

(e) Robert Robb's inches to Barney Swisher, and we sincerely hope he will make the most of them.

(f) Fred Binder's perpetual smile to Glenn Lunger.

(g) Elwood Stackhouse's neat hair comb to John Crossley so as to keep those unruly curls in place.

(h) Bob Dunham's patent brand of blushes to Stug Girton, hoping the mixture will produce a very desirable effect.

(i) Nellie Biggar's dignity to the incoming freshmen.

(j) Anna Covert's noon hour study period to her sister Helen, hoping she will use it advantageously during her next three years.

(k) Irene Forrester's permanent wave to Christine Murray.

(l) Pete Houseknecht's pedal lightness and swiftness to Kent Worthington.

(m) Chris Little's position as senior president to a worthy successor to be selected by the class of '32.

(n) Walter McBride's classy shirts and ties to Kenneth Golder.

(o) Grace Sones' athletic ability to Alberta Hopkins.

(p) Bob Albertson's melodious voice to Tony Smith.

(q) Dorothy Gautsch's love for the opposite sex to Madeline Swartz.

(r) Ford Michael's power of persuasive argumentation to Orlando Houseknecht.

(s) Ruth McClain's example as a dignified senior to all the juniors, so that hereafter it may be passed on to future classes conscientiously.

(t) Steve Odell's position with Kate Sones to Stanley Worthington, so that he and Kate may grieve together.

(u) Helen Minier's small stature to Helen Gortner.

(v) Max Grittner's athletic ability to the coming teams.

(w) George Booth's calmness to Bob Odell.

(x) Elly Bryan's position as assistant in Chemistry to Wilbur Snyder.

We hereby solemnly declare the Principal, O. F. Sollenberger, executor of this, our last will, and direct him to carry out the provisions contained herein.

Signed, sealed and delivered him by the Senior Class, this twenty-ninth day of May in the year of our Lord, One Thousand Nine Hundred and Thirty-One.

—Grace Sones, '31.

—Claudia Crossley, '31.

Prophecy for Class of 1931

Looking ahead 25 years from now we see:

CHRISTOPHER THOMAS LITTLE out mowing the lawn, while Chris Jr. plays with his dad's golf club. Chris is now a golf professional of the U. S.

HELEN FOX. Helen is now married and is kept busy caring for her four red-headed children.

EDWARD McCONNELL. Eddie is football coach and general athletic director at Tivoli. He has grown to be quite a large man.

ELWOOD STACKHOUSE. Ellie as you know him, always had quite an attraction for the opposite sex; anyhow he now lives in the suburb of Muncy where he has a large poultry farm.

GRACE SONES. Grace Sones has changed her last name from Sones to Confer. She is living at Beaver Dam, where she and her husband are managing the new and modern Beaver Dam Hotel.

ROSALINE McCONNELL has ended her career of teaching, for if you had glanced at the newspaper a year or so ago, you would have seen the marriage announcement of Miss Rosaline McConnell to Arley Sones.

ROBERT ROBB is engaged in making a series of pictures portraying well-known men in history.

GEORGE BOOTH. George is now manager of one of the large department stores of New York City. George's specialty is women's clothing.

ROBERT ALBERTSON. Bob is living in Eagles Mere, where his ambition has been realized in making home made ice cream.

WALTER McBRIDE is director of the Lucky Strike dance orchestra.

FREDERIC BINDER is now operator of one of the largest movie theatres of Ringdale, Pa.

ANNA COVERT. Twenty-five years have touched Anna lightly, the only difference is that her blond hair is several shades darker. Anna's husband bought a large farm just outside of Hughesville.

ELWOOD BRYAN is head chemist in H. H. S.

MAX GRITTNER is preacher in a little Church around the corner. Max always was quiet, but we never expected him to be a preacher.

RUTH McCLAIN. Ruth lives up in Parwin County where her father operates a large fish hatchery. Ruth always was keen about fishing.

ROBERT DUNHAM. Bob has been quite successful. He married early and now has two lovely hildren. His wife assisted him in his musical work.

IRENE FORRESTER. Irene, now Mrs. Reed resides in Muncy. We don't see much of Irene any more—she is too busy with her housework.

FORD MICHAEL. Just at present Ford is running for the position of Mayor of Hughesville, and no doubt he will be elected. He always was quite a politician.

NELLIE BIGGAR. Nell works at a telephone exchange board for her husband who has a monopoly on taxi service in Hughesville. Nell takes care of all telephone calls.

CLAUDIA CROSSLEY. After graduating Claudia attended Bucknell for a while, but she soon found she didn't care for college life; she would rather take care of flower beds and live in a cute little bungalow in Montgomery. So that is where we find her today, the wife of Mr. James Nuss. her school days beau.

PHILLIP HOUSEKNECHT. In the summer Pete helps on the launch at Eagles Mere, and in the winter takes care of the children while his wife works in one of the hotels.

STEPHEN ODELL. Steve has made his fortune, we find he has invented chairs for the standing army. He and his wife, formerly Kate Sones, have a cute little home on the outskirts of Bryan Town.

—IRENE FORRESTER, '31

—NELLIE BIGGAR, '31

When We Are Seniors

The great time has arrived at last. Now we are Seniors! For eleven school years we looked forward to the memorable day when we should enter our last year in Hughesville High School.

But aside from the joy we feel, we also are conscious of a new sense one of responsibility to our parents, friends, teachers and schoolmates. The Seniors are the leaders of the student body in all activities. They should set an example and a good one, for as the Senior class is, so is the school.

There will be thirty-two entering our Senior year this September, the largest class in the history of the school. We have spent three happy years together in high school and hope to make next year's school bigger and better than ever. Our Senior year will be a busy one, for we are already planning numerous activities. One of our aims is a trip to Washington at the end of our school days. Nearly all of the class had much experience in plays this year, and we look for our Senior class play to be a fitting climax to our dramatic efforts. Many of our class have distinguished themselves on athletic teams in the past, and they will return next year to help give Hughesville another great year in sports. We now have one or more representatives in every activity in the school, and will have the same representatives next year.

Last but not least, the Class of 1932 will endeavor to live up to the principles of the school, obey the rules of the faculty, and set an example worthy to be followed by others. This will be the earnest purpose of the "Blue and White," next year's Seniors.

—Peggy Corson, '32.

History of the Junior Class

At the beginning of the school year in September, Coach Smith issued a call for football candidates. Three Juniors responded and all of these played varsity positions all year. We also have the honor of having next year's captain, Lewy Kahler, in our class.

As soon as football was over, basketball candidates were called. Four Junior boys landed berths on the varsity squad. The girls' basketball team was comprised mostly of Juniors, for there were eight of the Juniors on the squad. In baseball we were hardly represented. The track team was comprised mostly of Juniors.

The Juniors were represented in the orchestra by seven members, comprising half of the orchestra. In February the Juniors presented "Step Lively." This was the greatest success any Junior class ever experienced. Later in the year the same play was taken to Washingtonville.

Towards the end of the school year, the Juniors gave the Seniors the annual Junior-Senior reception.

—Glenn Lunger, '32

THE JUNIOR CLASS

"STEP LIVELY" CAST

Resume of the Sophomore Year

At the beginning of this year, thirty-nine Sophomores entered high school. Although several dropped out, we also enrolled new pupils, bringing the enrollment up to date to forty-one.

This has been a very busy year for the Sophomores. At the beginning of the year, James Guyer was elected class president with William McClintock, vice-president; Paul Kahler, secretary; and Kent Worthington, treasurer. A little later the following were elected officers of the Literary Society: Kathryn Ashkar, president; Joseph McCabe, vice-president; Carrie Spearman, secretary.

The Sophomore Class was well represented in football this year, having seven members on the teams, namely: Kent Worthington, Bill McClintock, Bob Odell, Wilbur Trick, Fred Odell, Fred Snyder, and Tony Smith, trainer. We are very proud of them, because we think that they did much to make our football season such a success.

In basketball, Bill McClintock represented the boys, and Edna Robb the girls. Both did their best to help make our enviable record in this sport.

In the orchestra, under the direction of Mr. C. H. Gowers, the Sophomore Class had two representatives, Margaret Barto and Louise Castner.

We are also very proud to state that Carrie Shipman, a member of our class, won first honors, in the state wide contest, for her entry in the sewing exhibit at the Pennsylvania State Farm Show, held at Harrisburg in February.

Several members of the class were on the staff of the school paper: Hazel Derr, Literary Editor; Paul Kahler, Joke Editor; Louise Castner, Exchange Editor; and Christine Murray, Class Reporter. James Guyer, also a Sophomore, drew the cover pages for the three issues.

The Sophomores also took a very active part in debating this year. On the affirmative team were Irene Smith, with James Guyer, alternate. On the negative, Paul Kahler, Reta Travelet, with Christine Murray, alternate.

This year, a play, something unusual for the sophomore class, was attempted. The play, "The Man from Brandon," a football captain, mistaken for a cook, and also a lunatic, was played very well by Tony Smith; while Jeremiah Decker, a doctor from the Insane Asylum, who is hunting a demented young man, and who got into the wrong house, thereby succeeding in being thrown out by the "cook" was played by Kent Worthington. Lila Van Buskirk took the part of the maiden aunt, with Jean Hoffman as her maid, Hazel Derr as her niece, and Frances Spring as her niece's friend. Fred Odell played the part of a college youth, a friend of the football captain. Since all the parts were portrayed very well, the play was very successful, in addition to being good practice for next year, when we shall be Juniors. In addition, the bride and groom in the "Womanless Wedding," were both Sophomores—Kent Worthington and Paul Kahler.

Tony Smith, Harold Aderhold, and James Guyer, were the Sophomore representatives in baseball this year. The Sophomore members of the track team were: Bill McClintock, discus throw; Harold Aderhold, high jump and running; Tony Smith, 440; Reta Travelet, running; and Reta Travelet and Edna Robb, volleyball.

This year has truly been a busy one for the Sophomores, but we feel that it has been a successful one and that we have accomplished much. So we are looking forward with pleasure to our next year, when we shall be upper classmen—"The Juniors."

—Christine Murray.

History of the Freshman Class

On the first day of the school term, 1930-31 fifty-two pupils enrolled as Freshmen. After the subjects had been chosen and we became accustomed to the course of study, we organized a Literary Society. Helen Baker was elected president; vice-president, Donald Weaver; and secretary, Ruth McConnell. Although the society has proved successful, we hope to improve it when we are Sophomores.

During the second month we enjoyed a wiener roast at Glidewell's Park. Games were played. Mr. and Mrs. R. B. Smith, Mrs. Grittner and Mrs. McConnell accompanied us.

Many of our members participated in athletics. Although most of them were substitutes, they hope to get a chance on the big teams next year. Gilbert Babb, Stewart Girton, Lyman Colley, Paul Sones, and Roy Herriman were the boys on the football squad.

The Freshman basketball team was quite successful in the interclass games. We are proud that Larue "Skippy" Lunger was a substitute on the big team. Those boys who played basketball were Wilbur McBride, Stewart Girton, Mack Colabine on the Jay-Vees; with Lyman Colley, Roy Herriman, Paul Sones and Donald Fox. Helen Covert was a member of the girls' team.

When the Tri-Hi-Y and Hi-Y were organized, a number of freshmen joined. The girls of the Tri-Hi were Gloris Gardner, Helen Covert, Ira Shaner, Leona Woodruff, and Martha Smith. The boys of the Hi-Y were Wilbur McBride, Donald Fox, John Crossley, Larue Lunger, and Charles Guyer.

Several Freshmen entered events at the Track Meet held at Montgomery. Helen Covert was in the baseball throw and seventy-yard dash; Ruth McConnell was a member of the volley ball team; Leroy Sulivan was a contestant in the 880.

Mack Colabine, Stewart Girton, Lyman Colley, and Wilbur McBride are the Freshman boys playing on our baseball team.

In all we have taken an active part in the activities of the high school. As the term is coming to a close we are looking forward eagerly to the time when we will resume our activities as Sophomores.

—Helen Baker '34.

Eighth Grade Transfer Exercises

On June 4, the eighth grade will present the play, "Twenty Years Hence," which is really a class prophecy in three acts. The time is twenty years from the present. The characters portray their position twenty years from now.

The characters are Dick Boak as Governor of Pennsylvania, who has been invited to lay the cornerstone of the City Hall; Kenneth Fox as Mayor of Hughesville who presides over the city council; Melvin Smith as Commissioner of Lights, one of the members of the council; Harold Boudman as Commissioner of Finance, a member of the council; Robert Buck as Commissioner of Streets, a member of the council; Elizabeth Sones as Commissioner of Health and Superintendent of City Schools, a very punctual woman; Henry Smith as City Clerk, who meets with the city council; Nyle Houseknecht as Chief of Police who has very little to do; Max Seltzer as City Librarian, who understands human nature; Donald Worthington as Editor of Hughesvile Mail who wants the city printing; Max Seltzer as Captain who likes to fly fast; Edyth Dildine as Movie Actress who dances; Lulu Aderhold as Mrs. Benson, mother of seven children; Virginia Birdsell as City Nurse who is very conscientious; Carolyn Colley as Madam Kruscinski a prima donna; Dorothy Minier as Saleswoman, who sells the Phi Di furnace; Alfred Ashkar as Pianist, who plays well; Grace Newman, as Mrs. Bell a townswoman; Gladys Sones as Mrs. Lee, also a townswoman; Harold Kahler as the Novelist who uses big words; John Diggan as United States Inspector of Schools, the modest member of the class, and George Turner as Principal of Grade Schools, who is well informed. Howard Whitmoyer as Inspector of Jails who tries to break into jail. Two piano solos will be played by Alfred Ashkar.

—Max Seltzer

"MONARCH" NEWS

VOL. 1 HUGHESVILLE, PA., JUNE, 1931 NO. 3

Howdy, Freshmen of '31

Perhaps you don't know just how to take this phrase now, but next year after school has started, you will understand it quite well.

More than likely you have heard some one say that our English course requires you to write a great number of themes during your freshman year. Why worry about this? It is only another means of helping yourself. Why not take advantage of the opportunity while you have the chance? After you have once started, I'm sure you will never regret your decision to choose our school. You must not think that English is the only course to consider. Our school offers you the entire Academic and Commercial courses.

There is just one thing left to present to you, and that is the advantages of our school. You will really be surprised that everyone here is enjoying the work that he is taking, and that you, too, will find pleasure in your work. Now may we wish the incoming freshmen the best of luck and congratulate them upon their selection of a school for the next year.

—Louise Castner, '33

Track and Field Meet

The annual Lycoming County track and field meet was held May 17, at Montgomery. Rain ended the meet at two o'clock. At this time Hughesville ranked fourth. Peggy Corson of Hughesville won the volley ball throw for the second consecutive year throwing it 74 feet and 9 inches. Smith of Hughesville placed second in the shot put contest. Eddy came in third in the second heat of the 220 yard dash. Busler won the elementary boys' shot put contest, by throwing it 41 feet with his closest rival 8 feet away. Rain prevented the pole vault, broad jump, high jump and volley ball games, in all which we had good contestants.

H. H. S.

OUR ARTIST—JAMES GUYER

For the third time this year the staff of "The Monarch" congratulates James Guyer on the cover page, which he drew for the paper. It forms one of the distinctive features of the issue, and justifies our pride in claiming the artist as a student of Hughesville High.

Baseball Season, 1931

Hughesville High opened the 1931 season by defeating Picture Rocks, by an overwhelming score of 15-2. Walter McBride and Pete Houseknecht hit home runs. Glenn Lunger pitched the whole game and had eleven strikeouts in seven innings. Wilbur McBride, a freshman, caught.

We lost our next game to Montoursville 7-4. Bryan hurled and McConnell caught. The team beat Curtin Teachers 5-3 in the third game. Grittner pitched, with Bryan relieving him in the fifth. McConnell caught.

Millville journeyed to our home field but met defeat 15-5. Tony Smith started the game and at the beginning of the sixth Lunger went in. Wilbur McBride caught.

The team journed to Benton for their next game but lost 7-6. The game was called in the sixth on account of rain. Bryan started the game; Lunger again doing relief duty, went in in the beginning of the third. We again beat our ancient rivals Muncy 5-3. Bryan went the entire game, with McConnell doing receiving duty.

This season was one of the most successful ever experienced by a Hughesville team, winning 4 out of 6. Following is the lineup.

Houseknecht ss.
McConnell, McBride, c.
McBride, 3rd
Stackhouse, lf.
Little 1st
Colabine 2nd.
Girton, c f.
Colley r. f.
Lunger, Bryan, Smith, Grittner, p.
Aderhold, c.
Binder, outfield.

—Larue Lunger, Reporter.

H. H. S.

Farewell, and Good Luck, Staff

In behalf of the entire student body of the Hughesville High School, I wish to congratulate the staff for their splendid co-operation in organizing the "Monarch." The work of issuing a school paper is no easy task, if the paper is to be a success. Considering the report of the National Scholastic Press Association upon our paper, we may say with pride that our paper has been a success.

The Seniors, who soon will pass from the familiar halls, charge you the members of the staff for coming years, to pursue the same earnest, upright policy that we have adopted, and which has proved so satisfactory.

Editor Michael.

H. H. S.

Something Different in Initiation

It has always been the custom in our school, as well as in many other schools, to give the Freshmen a very wild initiation. The boys are paddled, their hair is dyed, they get ducked, along with anything that may come into the heads of their tormentors. Girls do not get such rough treatment, but they are required, by a lot of useless rules, to dress in such queer ways that many old people remark, as one old lady did to me, "It's certainly outlandish the way girls are dressing now. One girl who goes past here has one stocking rolled down and a green ribbon around her ankle. I never saw anything like it." Upon being informed that it was merely initiation, she sniffed tossed her head, and said, "Well, all I've got to say is, young people nowadays certainly do get the craziest ideas. We didn't do such things when I was young."

Most certainly all this initiation doesn't tend to increase the well being of the luckless freshmen, in fact, it often results very seriously. Nor are the freshmen likely to think more of the school or upper classmen, because of such rough handling.

But now most schools are doing away with this form of initiation, and changing to something better. We are going to do the same thing next year, and intend to have a sort of school party in the gymnasium, with the freshmen furnishing the entertainment. It wouldn't be a bad idea to have all the freshmen introduced, first of all, to their classmates and the rest of the school. It's not likely that anyone will recall the names, but their faces might be remembered. Everyone of the freshmen should be required to take part in some stunt. The entertainment could include anything from dancing to telling stories, just so that it be interesting, with everyone participating. It would be an evening of fun for everyone, except, perhaps the freshmen, but the most of them would prefer telling a story to being ducked on a freezing cold night.

—Christine Murray, '33.

Farewell Seniors of the Staff

Graduation! What does it all mean? To you as Seniors it may mean the beginning of a new career, a new life, but to us it is only a separation, or perhaps a loss of the school chums with whom we shared our happy days. Our duties were work and play, together with you whom we shall never forget. When we return again, we will strive to carry on the work as successfully as you have begun it. So in behalf of the remaining members of the staff of "The Monarch," I wish success and happiness to the graduating members, in everything you attempt.

—Mary Ashkar, '32.
Associate Editor.

Attention Alumni

How often have you said, "I wish we had an Alumni Association in Hughesville"? Many times, no doubt—and you would be quite willing to co-operate if such a movement were organized. Therefore, on Friday evening, June 5th, after commencement, why not all join in a united effort to organize an Alumni Association. All who have attended Hughesville High are eligible for membership, and all are urged to attend this meeting to complete an organization. Alumni—your school still needs you and you need your school! Let's organize!

Ed. McConnell, Alumni Editor.

H. H. S.

Exchanges

At this time we wish to express our thanks to the following schools for their exchanges throughout the year:

Williamsport High School.
Upper Darby High School.
Canton High School.
Muncy High School.
Towanda High School.
Shamokin High School.
Jersey Shore High School.
Ralston High School.
South Williamsport High School.
Picture Rocks High School.
Troy High School.
Athens High School.

It is our wish that these schools, with many others, will continue to exchange with our school next year.

—Louise Castner,
Exchange Editor

In Memoriam

LEE McBRIDE, CLASS OF '34

"MIZPAH"

Go thou thy way, and I go mine;
Apart, yet not afar;
Only a thin veil hangs between
The pathways where we are.
And "God keep watch 'tween thee and me"
This is my prayer,
He looks thy way, He looketh mine,
And keeps us near.

I know not where they road may lie,
Or which way mine may be;
If mine shall be through parching sands
And thine beside the sea.
Yet "God keep watch 'tween thee and me."
So never fear.
He holds thy hand, He claspeth mine,
And keeps us near.

Should wealth and fame perchance be thine,
And my lot lowly be;
Or you be sad and sorrowful
And glory be for me.
Yet "God keep watch 'tween thee and me."
Both be His care.
One arm round thee, and one round me
Will keep us near.

I sigh sometimes to see thy face,
But since this may not be.
I'll leave thee to the care of Him
Who cares for thee and me.
"I'll keep you both beneath my wings"—
This comforts, dear,
One wing o'er thee and one o'er me.
So we are near.

And though our paths be separate
And thy way is not mine,
Yet, coming to the mercy seat.
My soul will meet with thine.
And, "God keep watch 'tween thee and me."
I'll whisper here,
He blesseth thee, He blesseth me,
And we are near.

Know Your School

As the school term draws to an end and exams are past history, a slight pause ensues during which preparation for the reopening begins. From the teachers' point of view years become as weeks and the happy time of Commencement, while opening up a vista of life in earnest for the Senior, brings to the teacher a new deal in responsibilities with the remarkable opportunity of a no trump hand to every player.

To the incoming Freshmen, in each one of whom the teachers see an opportunity to play a winning hand in their game of life, we wish to extend a hearty welcome. Our first concern will be to fit you into the new environment, to make you feel at home, to acquaint you with the necessary conventions and ways of doing things in our high school in order that your work may be carried on with the least delay in starting and a minimum of obstacles to progress.

Of first importance to success in high school life is the choice of a goal. Lucky are the boys and girls who can throw themselves with all their might into their work because they know where they are going. The world will step aside for the youth who is going to a definite place; his path is more direct, hence shorter and the goal is reached more quickly. To know where you're going is worth $1,000 up. depending on the will power to reach your aim.

If you are not decided talk it over with your teacher and search in the library for information about the kinds of work in life. Examine yourself to find whether or not you possess the traits and characteristics necessary for success in the activity of your choice. Then elect your course in high school with your choice in mind. Let us examine what the Hughesville High School has to offer toward preparing you for your choice.

CURRICULUM---Hughesville High School

For graduation in any of the courses, sixteen Carnegie Units are required. This means that, for a normal load, pupils shall carry four Units each year of high school.. By Carnegie Unit is meant the equivalent of 120 sixty-minute recitation hours.

Seniors who have more than 12 Units of work to their credit at the beginning of their senior year, will be required to carry the normal 4 Unit load.

Vocal and instrumental music are not accredited Carnegie Units but are accepted locally to the extent of one Unit toward the sixteen Units required for graduation.

Pupils desiring to carry more than the normal load must satisfy the principal as to their ability to do justice to extra work. This is generally assumed when the pupil makes a general average of B or better for the previous year.

Below are listed both the required and elective subjects offered by this school. From the electives pupils may make up their various courses. It is recommended that pupils be graduated from the school rather than from a particular course in the school and the diplomas are so granted.

Freshman or 9th year has High School Certificate or Common School Diploma to the credit.

Sophomore or 10th year has 4 Carnegie Units or more to the credit.

Junior or 11th year has 8 Carnegie Units or more to the credit.

Senior or 12th year has 12 Carnegie Units or more to the credit.

From the above 38½ Units pupils select their high school course, consisting of not less than 16 Units and seldom more than 21 Units. The list of required subjects has been compiled by the State Department of Education because they are considered essential in the education in citizenship of every adolescent and necessary for the perpetuation of our democratic social order.

To prepare for teaching and other professions, we direct you to the academic courses, and you may add as many of the Commercal or General courses as you can master with credit to yourself and to the school. For any pupil who plans to go to college for further preparation, decide upon your colllege and comply with the entrance requirements with the list you select at Hughesville. Then there will be no last minute embarassment or disappointment because of failure to meet the

college requirement. Keep also in mind that while a grade of C may permit you to graduate from this high school, many colleges require a certified grade of B for entrance without examination.

Along with the formal class room studies, our high school offers opportunity to engage in many other activities which are destined to develop in each pupil the womanly and manly qualities that set off a high school pupil from one who has rejected the privilege of going through the whole course of a public school.

These activities include participation in Literary programs, where the best results are obtained from willingness and eagerness to practice the expression of one's ideas before classmates. Debating offers practice in the act of persuading others to agree with your views. Dramatics and the acting of parts in plays gives the thrill of working together and of experiencing the satisfaction of co-operation, a very necessary factor in 'getting along' in life. The Glee Club and Orchestra provide a means of expression to those of musical talent and when taken seriously give form and force to real school spirit. Athletics strengthen school spirit and the morale of team work being designed to keep the physical equipment in tune. 'A sound mind in a sound body' is a fundamental possession in the competition of life today. We wish also to emphasize the use of the library in the search for information which will make more readily understood the class room instruction which it will supplement.

Come to your teachers for advice on problems which lie deep in shadows. Consult us; perhaps we may have passed through similar periods of doubt and may have a suggestion which will light the way. One of the teachers' greatest rewards is to see a pupil under their guidance making progress. Of course the wise may learn through their own experience. But the wiser will learn through others' experience.

Let us make this known as the friendly school. Study here one of the greatest problems in your life: What shall I do with my life?

H. H. S.

Meet the "Monarch's" Publisher

One of the persons who has done the most, but has received the least mention in our paper, is Mr. Wesley L. Mann, of the Muncy Luminary, our publisher. We realize that it is due largely to his co-operation and assistance that our reorganized paper has been so successful. The attractive binding, the whole make-up, is due to him—the paper speaks for his effiiciency.

The Best Education is none too good for the demands of our time.

Young people should add to a High School course all for which they have storage capacity.

A new world will be opened up to them by a thorough course in Literature, History and the various departments of Science and Engineering.

All who are interested in such courses in

BUCKNELL UNIVERSITY

are invited to correspond with

PRESIDENT EMORY W. HUNT,

or

REGISTRAR H. W. HOLTER
